Robert Brown
News Director
WJXT/WXWJ – NEWS4JAX
4 Broadcast Place
Jacksonville, FL 32207

Dear Robert Brown:

I am excited to apply for the MMJ/Reporter position at WJXT/WCWJ. As a graduating broadcast journalism student at Florida A&M University, I have gained hands-on experience finding story ideas, conducting interviews, writing and producing packages, and delivering stand-ups on camera. I am ready to take those skills into a professional newsroom and continue growing as a journalist.

Through my work with FAMU TV20, I have covered community issues, campus safety, transportation and local events. These experiences have strengthened my writing and reporting skills while helping me become more confident in front of the camera. They have also taught me the importance of asking the right questions and finding the human element that makes a story meaningful to viewers.

I am particularly interested in WJXT/WCWJ because of its focus on serving the Jacksonville community across broadcast and digital platforms. Jacksonville is a community I know well, and I would be excited to begin my career telling stories that matter to the people who live there. I am especially eager for the opportunity to develop original story ideas, work in the field and continue building my skills as a multimedia journalist.

While I am at the beginning of my professional career, I bring curiosity, initiative, strong communication skills and a genuine passion for journalism. I am eager to learn, take on challenges and contribute to the WJXT/WCWJ newsroom.

Thank you for considering my application. I would appreciate the opportunity to discuss how I could contribute to the News4JAX team.

Sincerely,
Alaiya Saulsby
